ALULINE A200 UM

Elegant and modern design, made of aluminum in white or black, special colors possible.

By simply remounting the container, the luminaire can be used universally for ceiling and wall mounting. A 90 degree parallel wall mounting is also possible, a corresponding pictogram set is optionally available.

With the two accessory sets, central pendulum and wire mounting, the luminaire is very changeable and versatile.

The 10 mm light-deflecting pane is illuminated with a 1 or 2 watt LED-bar. A pictogram set with arrow left / right / down / blind is already enclosed.

Technical specifications
